Banner space may be purchased in addition to vending space, or without vending space. Banner advertisers do not have to be present at the Barn Hunt National to display a banner. Banner Advertiser content must be approved by Barn Hunt and cannot be for dog food other than Purina products. Banners are purchased by, and provided by, the advertiser. Banners must include grommets for hanging and may be purchased anywhere. A suggested printer is Got Print (www.gotprint.com), which can provide a full color banner for approximately \$27, depending on shipping.

email completed form and copy of certificate of insurance to:

Gretchen Howell, alldogbarnhunt@gmail.com.

Once accepted you will be asked to pay the vendor booth fee/banner fee via pay pal.
